Part A - Medical Protection

Payment of Usual and Customary Charges for services given to You for Emergency Evacuation and Transfer to Hospital, and expenses incurred in the diagnosis, treatment, including treatment in a hyperbaric chamber; laboratory tests, x-rays and other treatment given to You, which is essential to save Your life or is reasonably required for treatment of the Injury caused by the participation in the Covered Activity. Injury must occur and be reported to the Insurer while coverage is in force. If circumstances exist that prevent You from reporting the Injury to the Insurer while coverage is in force You are required to report it to the Insurer as soon as practically possible and provide evidence to the Insurer showing that You sustained the Injury while coverage was in force. Expenses must be incurred within 180 days after the date of the Injury. Expenses incurred more than 180 days from the date of Injury will be limited to 50% of the covered expenses. These services must be ordered by a Physician. In case of Emergency Evacuation a pre-authorization is required. Treatment by physiotherapists and chiropractors prescribed by an authorized physician shall be compensated at 50% of the expenses, not to exceed \$2,500. No coverage for any mental therapy.

In the event hyperbaric chamber treatment is required, Robin Assist must be notified. Failing to obtain the above may result in Your claim being denied. For Cyprus please note clause #38 in the General Exclusions below.

Emergency Evacuation means:

1. Your medical condition warrants immediate transportation from the place where You are Injured or suffer an Emergency Sickness to the nearest hospital where appropriate medical treatment can be obtained inclusive of the mandatory use of the hyperbaric chamber;
2. After being treated at a local hospital, Your medical condition warrants transportation to where You reside, to obtain further medical treatment or to recover;

Covered Expenses are Usual and Customary expenses, up to the maximum, for necessary transportation, medical services, and medical supplies incurred in connection with Your Emergency Evacuation. All transportation arrangements made for Your evacuation must be by the most direct and economical route possible.

Expenses for Your Emergency Evacuation must be:

1. Recommended by the attending Physician;
2. Required by the standard regulations of the conveyance transporting You;
3. Verified and approved in advance by Robin Assist.

Expenses for medical services and supplies must be recommended by the attending Physician. Transportation means any land, water, or air conveyance required to transport You during an Emergency Evacuation. Transportation includes, but is not limited to, air ambulances, land ambulances, and private motor vehicles. The Insurer will not cover any expenses provided by another party at no cost to You or already included in the cost of the scheduled Trip.
